Dowler Lodge

Dowler Lodge is a beautiful log building with a large, fully equipped kitchen with dining and activity area for up to 145 people. Six cabins are included that sleep 48. Additional cabins may be rented to accommodate 110.

The lodge has a stone fireplace and is perfect for indoor activities and meetings. A lounge is located beside the hall with couches, chairs and another stone fireplace where you can relax while looking over the lake through the large windows.

If you prefer to spend your time outside you can relax by the outdoor chapel or the large stone fire pit by the lake. There are also many hiking trails, three playing fields and a large beach and waterfront area. Canoes and equipment are also available for rent.

Porters Lodge

Porters Lodge is a historic log cabin located near the lake front surrounded by beautiful forest.

Inside is a furnished living room, kitchen, washroom with shower, and 3 bedrooms with handcrafted birch bunk beds that sleeps 14 and a loft that sleeps 2. Need a few more beds? Additional cabins can be rented to accommodate 36.

Enjoy sitting in the living room around the stone fireplace or outside by the nearby fire pit.
